Year 2024:

It was a difficult but promising wine year.

The cool and rainy spring led to delayed flowering.

Our daily work in the vineyard was characterised by hard work and diligence. As a result, we were able to harvest slightly less, but high-quality grapes. Our winemaker Marco Chisté is also optimistic.

The year 2024 will bring us aromatic & varietal white wines as well as slightly fruity, elegant red wines.
